**1st Annual
Summer Raffle—
Win a \$10,000
Dream “Trip for Two” in 2012**

Love to travel? Choose your dream destination and GO!!

The Museum’s “Trip for Two” raffle is your chance to go anywhere you like. Our trip partner, *Odysseys Unlimited*, travels across the world.

Only 1000 raffle tickets will be sold.

The winner, chosen July 17, 2011,

may select any 2012 trip offered by *Odysseys Unlimited* (www.odysseys-unlimited.com).

The prize includes the trip cost, plus airfare to the departure point, taxes and fees, up to \$10,000.

You will travel with experts who serve college and university alumni groups across the country.

As the leader in small group travel, *Odysseys Unlimited* designs and operates tours *specifically* for groups of 12-24 people, knowing from years of experience that small groups and excellent value, combined with premium quality, are a great mix.

Odysseys guests move about flexibly and efficiently; enjoy spontaneous encounters and experience a degree of freedom and independence simply not available to travelers on conventional group tours.

Travelers visit major sights AND go behind the scenes, into private homes and traditional villages, to local schools and neighborhood restaurants, off the beaten paths. All in the company of experienced tour directors who share their countries – and their lives – with travelers, bringing destinations alive in a truly personal and meaningful way.

Sandy Spring Museum is proud to partner with *Odysseys Unlimited* for this fundraising effort. Their tours create the same strong sense of community that has historically made Sandy Spring itself such a special “state of mind.”

Support Sandy Spring Museum

Proceeds from the “Trip for Two” Raffle support programs, exhibits, and archives at Sandy Spring Museum. We interpret the history of a community founded in 1728 by Maryland Quakers and still drawing strength from its history, even as the community grows and changes. Museum school programs serve hundreds of public, private, and home-schooled children each year, while our art and music programs promote artists and musicians across the community.
