

Tinkergarten, the company that's known for their outdoor-based early childhood education programs, has just launched **Tinkergarten At Home** — a new series of DIY activities and virtual Tinkergarten classes to foster at-home learning that helps the whole family get outside and learn during this challenging time. Sign-up (it's free) at tinkergarten.com and get access to:

- **Weekly Tinkergarten Activities:** Educational activities designed for learning at various ages and requiring only basic household items.
- **Parenting Insights.** Helpful content about how young kids develop and how to tackle the challenges we all face when helping our kids learn and grow at home.
- **Live, Online Classes.** Invites to regular, live, online sessions where parents from around the country gather to see how to bring Tinkergarten DIY activities to life.
- **A Network of Tinkergarten Families.** Access to our [#OutdoorsAll4 Facebook Group](#) to find and share ideas, photos and stories of your Tinkergarten At Home experiences.

Tinkergarten sincerely hopes that these resources will be helpful to our families!
